- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.
- Please note that comments submitted in response to this Notice are public record.

Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of Proposed Collection

Pursuant to ITAR section 120.4, a person, as defined by ITAR section 120.14, may request a written determination from the Department of State stating whether a

particular article or defense service is covered by the United States Munitions List (USML). Form DS-4076 is the means by which respondents may submit this request. Information submitted via DS-4076 will be shared with the Department of Defense, Department of Commerce, and other USG agencies, as needed, during the commodity jurisdiction process. Determinations will be made on a case-by-case basis based on the commodity's form, fit, function, and performance capability.

Methodology

Respondents must generally submit the DS-4076 electronically through DDTC's electronic system. Respondents may access the DS-4076 on DDTC's website, www.pmdtc.state.gov, under "Commodity Jurisdictions (CJs)." Respondents who are unable to access DDTC's website may mail a signed DS-4076, along with a brief cover letter explaining their inability to file the electronic DS-4076, to the Office of Defense Trade Controls Policy, Department of State, 2401 E St, NW, Suite H1304, Washington, DC 20522.
